

## Curriculum vitae

Name: BEHROOZ  
Last name: NAGHILI – HOKMABADI  
Nationality: IRANIAN

Mailing address: Infectious Diseases Department  
Tabriz University of Medical Sciences  
Tabriz Iran  
Fax: 0098-411- 333375411  
Tel: 0098-411-33375411, 35428595  
E – mail: naghilyb@tbzmed.ac.ir  
naghili\_b@yahoo.com

Place of birth: Tabriz, Iran  
Date of birth: 1956  
Sex: Male  
Marital status: Married

## Education

- 1) Fellowship of infections in specialized patients, University of Health Net work, Toronto, Canada, 2000
- 2) Fellowship in clinical Epidemiology; college of London Tropical Medicine & Hygiene, 1994
- 3) Board Certified in Infectious Diseases, Tabriz University of Medical Sciences, 1986.
- 4) M.P.H. Tehran University of Medical Sciences, 1984.
- 5) M.D. Tabriz University of Medical Sciences, 1981.

## Occupation

- Professor of Infectious Diseases, Dept. of Infectious Diseases, Tabriz University of Medical Sciences 2001 – present
- Associate Professor of Infectious Diseases, Dept. of Infectious Diseases, Tabriz University of Medical Sciences, 1994 – 2001
- Assistant Professor of Infectious Disease, Dept. of Infectious Diseases, Tabriz University of Medical Sciences, 1986 – 1994.
- Head of Infectious Diseases and Tropical Medicine of Tabriz University Of Medical Sciences ,2004 -present

## RESEARCH

- 1) The Effects of Ampicillin Amoxycillin, Chloramphenicol, TMP-SMX in the Treatment of typhoid fever.
- 2) Evaluation of integration of tuberculosis control into the Health Services in Shabestar – Iran.
- 3) Subclinical Brucella Infections in Slaughter Workers in Tabriz – Iran.
- 4) Toxoplasma infections in Slaughter Workers in Tabriz – Iran.
- 5) Awareness of people about brucellosis in east Azarbaijan Tabriz – Iran.
- 6) Comparison of different serologic methods in diagnosis of hydatid disease. Tabriz – Iran.
- 7) Resistency of mycobacteria to antimicrobial agents in Azarbaijan – Tabriz – Iran.
- 8) Study of antibodies against Hepatitis C Virus in multitransfusion patients – Tabriz – Iran.
- 9) Typhoid fever and drug resistency in Azarbaijan – Tabriz – Iran.
- 10) Prevalence of MRSA in university Hospital of Iran.
- 11) Tuberculous Meningitis, and its diagnosis – Tabriz, Iran.
- 12) Prevalence Of ESBL & Antimicrobialresistant in University hospitals, Tabriz ,Iran

## MEMBERSHIPS

- Member of New York Academy of Sciences.
- Member of Iranian Infection Diseases Society.
- Member of Iranian Internal Medicine Society.

## PRESENTATION

- 1) Unusual complications in typhoid fever, 2<sup>nd</sup> Iranian Congress on Infection Dis. Tabriz, 1989. NAGHILI B, Behnia N.
- 2) Epidemiological and clinical survey of anthrax in Azarbaijan, 1<sup>st</sup>. Iranian Congress on Regional Health Problems, Urumieh, 1990. NAGHILI B.
- 3) Clinical study of Malaria in East Azarbaijan, 2<sup>nd</sup> Iranian Congress on Parasitology, Rasht, 1990. NAGHILI B, Bozorghzadeh E.
- 4) Snake bite in Azarbaijan, 1<sup>st</sup> Iranian Congress on Poisons, Tabriz, 1991. NAGHILI B, Majidpour A.
- 5) Latex particle agglutination in bacterial meningitis, 1<sup>st</sup>. Iranian Congress on Clinical Problems in Internal Medicine, Tabriz, 1991. NAGHILI B.
- 6) Value of Isoenzymes of L.D.H. in Diagnosis of Meningitis, 4<sup>th</sup>. Iranian Congress on Infectious. Dis. Tehran. 1992. NAGHILI B, Shabestary S.
- 7) T.B. Lymphadenitis in Tabriz, 4<sup>th</sup>. Iranian congress on Internal Medicine. Tabriz, 1994. NAGHILI B.
- 8) Toxoplasma infections in female students in Tabriz University, 8<sup>th</sup>. International Parasitology Congress, Ismir, Turkey, 1994. NAGHILI B, Jamali R.
- 9) Seroepidemiology of HSV, CMV in aborted women in Tabriz, 10<sup>th</sup> inter. Geographic Congress, Shiraz, 1997. NAGHILI B, Siahmelli M.
- 10) Epidemiologic survey of Genitourinary Tract Tuberculosis in Tabriz 7<sup>th</sup>. Congress on Infectious Dis, Tabriz – Iran, 1998. NAGHILI B
- 11) Emergence of drug resistant in pathogens isolated in a teaching hospital. NAGHILI B., Varshovchi M., Hasani A., nahaei MR., Boigolin, and Hasani A. 3<sup>rd</sup> Balkan conference of Microbiology, sept. 4-6, 2003, Istunbul, Turkey
- 12) Prevalence and susceptibility profile of uro pathogens in urinary Tract infections. Hasani A., NAGHILI B., Varshovchi M., Nahaei MR., Dehghani L. and hasani A. 3<sup>rd</sup> Balkan conference of Microbiology, Istanbul September 4-6, 2003
- 13) “Antimicrobial surceptibility of staphylococcus strains” hasani A., NAGHILI B., Farshbaf M., Baigholi N., Dehghani L. and Hasani A. Sth Iranian coggess of Microbiology Ian 21-23, 2003, Ahwaz, Iran
- 14) comparative study of Indirect Hemagglutination and Elisa tests in the diagnosis of Hydatid disease. NAGHILI B, Rajaei, Ghareh Baghi N. 11<sup>th</sup> Iranian congress on Infectious Diseases and Tropical Medicine, 28 feb- 4Mar. 2003, Tehran, Iran
- 15) Diagnostic value of Direct Agglutination Test (DAT) in the patients with KALA-AZAR admitted in the pediatric hospital of Tabriz. NAGHILI B, pourhasan A, Varchochi M, 12<sup>th</sup> Iranian congress on Infectious Diseases and Tropical Medicine, 17-21 Jan, 123-2004, Tehran, Iran.
- 16) Awareness and Practice of staff nurses on hand washing in a teaching center in Tabriz, Pourmahmood A, NAGHILI B, Zialame L, Delhamed P. 12<sup>th</sup> Iranian Congress on Infectious Diseases and Tropical Medicine, Tehran, Iran, 2004
- 17) Antibiotic usage in Burn and surgical wards in a teaching center of Tabriz University of Medical Sciences, Asghari G, NAGHILI B, 12<sup>th</sup> Iranian Congress on Infectious Diseases and Tropical Medicine. Tehran, Iran, 2004

- 18) Epidemiological survey of nasocomial infections in Emam Khomeini hospital of Tabriz, NAGHILI B, S Ghodrati, M, Mojdehbar M. 11 th Iranian congress on infectious Diseases and Tropical Medicine. Tehran, Iran, 2003
- 19) Involvement of OmpF Porins in antibiotic flux, possible role in the treatment of urinary tract infections, Mohajeri, S, Mobasheri, Hhameneh, S and Naghili, B. 14 th European physiology congress, Paris, France
- 20) Study of TORCH SYNDROME In 400 individuals of Childbearing Women In Tabriz During 1380-1383, Rajaii M, Poor Hassan A, Naghili B, Baiat Maku J. The 1st Iranian Seminar on Immunity and Infections
- 21) Seroprevalence of IGM and IGG Antibodies Against Cytomegalovirus, and IGM antibodies Against Herpes Simplex Virus in Women With Spontaneous Abortion, Nagili B, Vardi F, Siahmelli M, Ebahimpour S, Mozaffari S. 6 th IVF Congress, Istanbul, Turkey, 2005
- 22) New Antifungal Drugs, Kazimi A, Nagili B, Adebpoor M, Akbari N, New Diagnostic Methods and Therapy of Skin Disease Congress, Babol, Iran, 2003
- 23) Problems and Limitations of Conventional and Innovative Methods for Diagnosis of Toxoplasmosis in Pregnant Women or Infants, Rajaii M, Bourassa A, Nagili B, Biatmakou J, Parvin Y, The 8 th Iranian Congress of Immunology & Allergy – Tehran, 16-18 May 2006

#### ADMINISTRATION

- 1) Vice Dean for Academic Affairs, College of Medicine, Tabriz University of Medical Sciences, 1989- 1991.
- 2) Vice Dean for Research Affairs, College of Medicine Tabriz University of Medical Sciences, 1991 – 1993.
- 3) Vice Provost for Research Affairs, Tabriz University of Medical Sciences 1993 – 1999.
- 4) Head Department of Infectious Diseases, Tabriz University of Medical Sciences, 1999 – Present.
